STEARC (Stretch) AWARD

Overview

The STRETCH award is given each year to a student who has made great academic strides. However, it is not required that the nominee be an honor student. Nominators should write an essay describing why the student should be this year's recipient of the award. Anyone can nominate a student and self nominations are accepted. If applicable, include copies of supporting documents such as report cards, letters from educators, certificate, etc. with the entry. Each entry will be judged by a three person panel.
